

CLERMONT
COUNTY OHIO

Public Facilities

Introduction & Purpose

One of the fundamental tasks of planning is to ensure that Clermont residents have appropriate public services and infrastructure systems and those services and systems are able to meet the needs of future population growth.

Clermont County's respective departments have established priorities for supplying basic public facilities that meet the needs of residents, businesses and visitors.

Public Facilities discussed in this chapter:

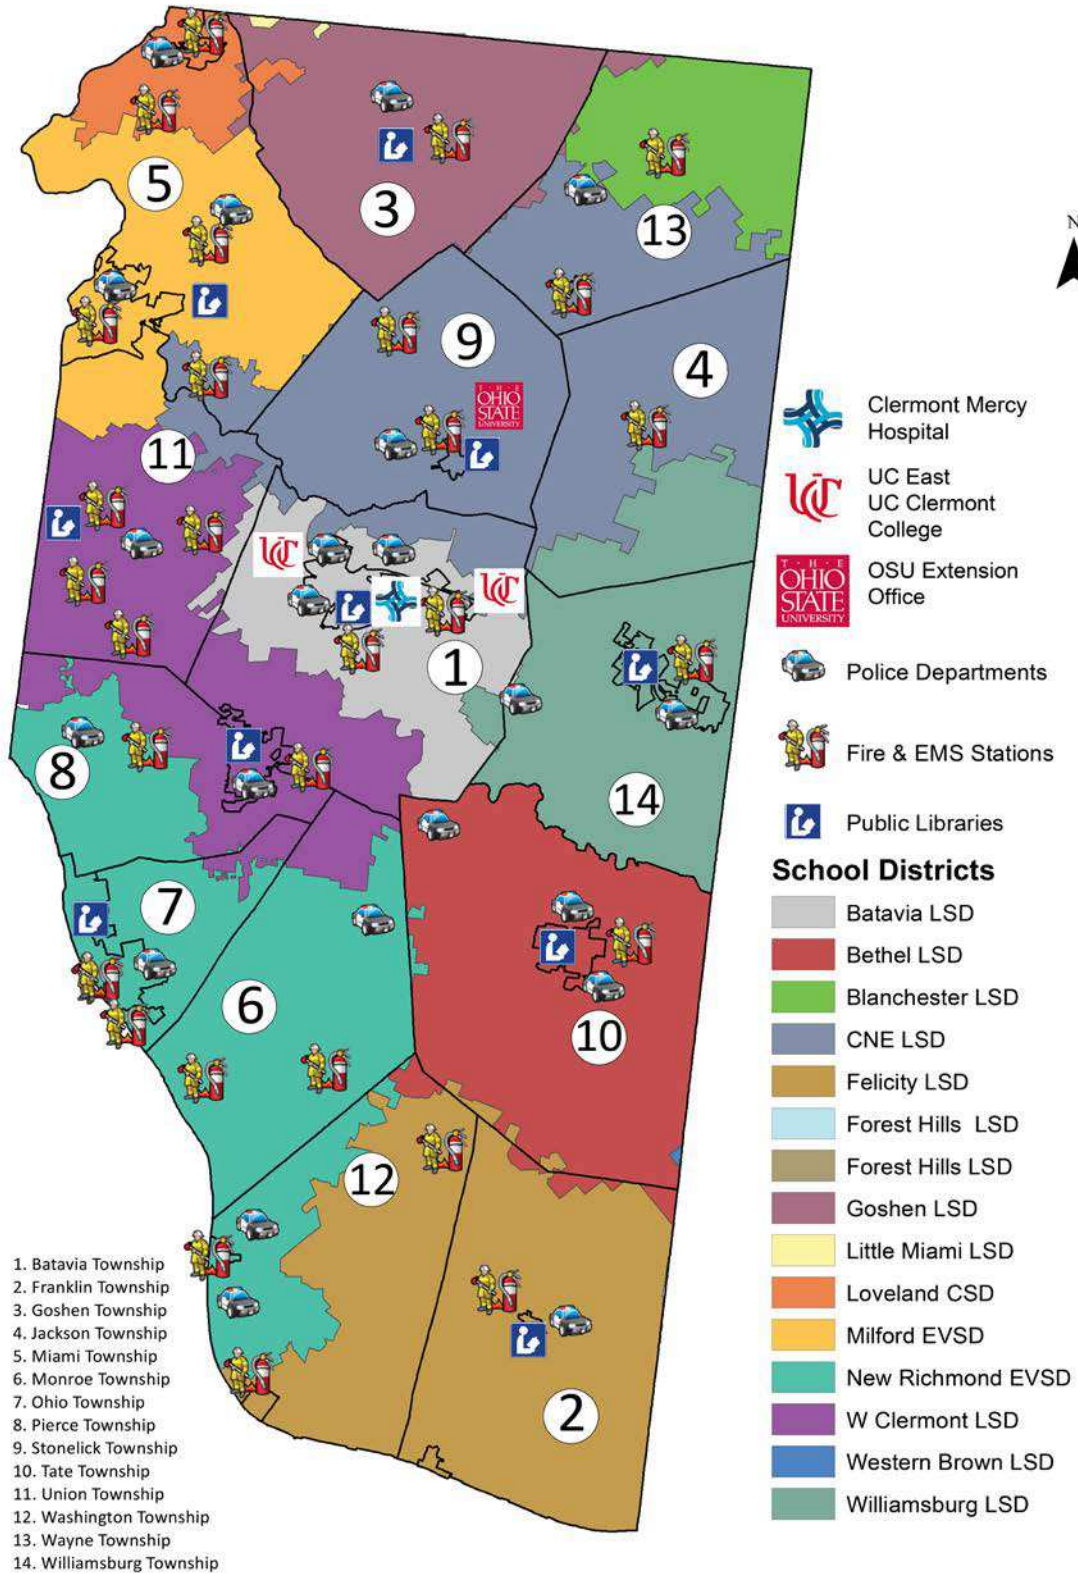

- Local School Districts
- Libraries
- Fire Departments and Emergency Medical Services
- Police Departments
- Hospital Facilities
- Radio Communication and Dispatch Operations
- Sanitary Sewer and Water Treatment
- Parks and Recreation

The map on the following page shows all the public facilities located in Clermont County. Maps are provided with most topics showing specific facility locations within each township in Clermont County.

A goal of the county is to encourage sharing of facilities and services when appropriate.

Clermont County Public Facilities

Clermont County School Districts

One of the most important services that Clermont County provides to its residents is a county-wide education system that strives to meet high standards for the K-12 education system.

Grant Career Center

The mission of Grant Career Center is to prepare youth and adults with employability practices, academic preparation, and technical skills to become productive capable citizens to pursue educational opportunities and careers.

Integrated Academics

Grant offers integrated classes to provide the opportunity for both the academic and the career-technical instructor to teach these lessons simultaneously. This offers our students academics tied to real world learning experiences related to math, science, and language arts academic standards and career-technical competencies.

Programs Offered:

- Auto Collision
- Automotive Service Technology
- Business & Finance
- Carpentry
- College Tech Prep Allied Health Science
- College Tech Prep Engineering Design
- Cooperative Education
- Criminal Justice
- Cosmetology
- Culinary Careers
- Horticulture
- Medical Information Tech
- Metal Fabrication
- The Teacher Academy

Employability Grading

In order to better prepare students for the real world, Grant's staff members have implemented a school wide employability grading system. At least 25% of students' grades are based upon how well they demonstrate the needed qualities of an excellent employee. These qualities include:

- Regular Class Attendance
- Preparedness for Class
- On-task during Class Activities
- Class Participation
- Professional Behavior

Grant Career Center serves Bethel-Tate, Felicity-Franklin, New Richmond, and Williamsburg school districts.
